VG automatic closing machine is designed specifically for our patented **BUT-N-LOC®** tamper evident hinged lid containers, operates with sizes 8oz to 64oz, and processes up to 80 containers per minute. Sturdy aluminum and steel construction with electronic control system for flexible ease of use operation.

Our machine increases productivity through reduced labour costs, improved reliability and output. Ideal secure packaging system for a wide variety of fresh food products, VG automatic closing machines are as efficient as they are effective.
